HELP COLOUR OUR FLOODPLAINS!

The Victorian Murray Floodplain Restoration Project (VMFRP) Colouring-in Collab (short for “collaboration”) is designed to inspire young people to explore the amazing flora and fauna of Victoria’s Murray River Floodplains via visual art and creativity.

We hope that the experience provides participants with the opportunity to develop a deeper appreciation of the environment and wildlife reliant on our amazing floodplains.

The VMFRP is colouring our floodplains by adding water and now you can colour the floodplains too!

A Winner and a Runner-up will be drawn randomly (from a hat) in the following categories:

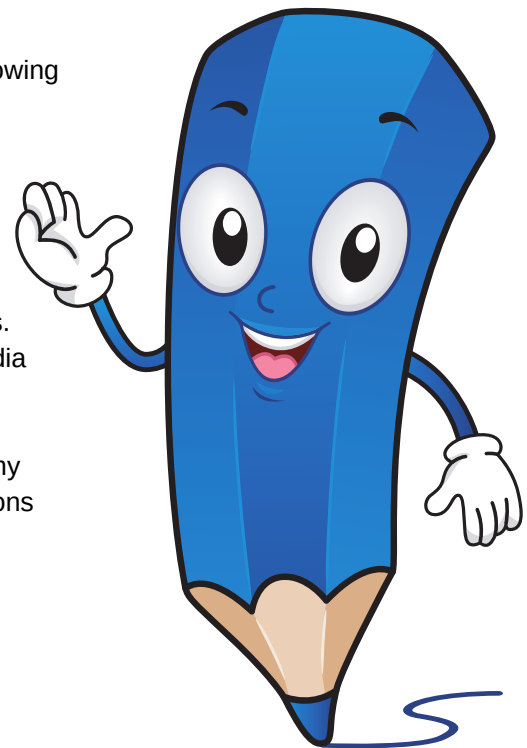

- **5 years and Under**
- **6-9 years of age**
- **10 years and over**

All winners will receive a Mildura Chocolate Company hamper, valued at \$50.00, a set of 48 colouring in pencils and a certificate of congratulations. Their artwork will be published in the VMFRP e-newsletter and social media platforms.

The Runner-up in each category will receive a Mildura Chocolate Company giant speckle, a set of 24 colouring-in pencils, a certificate of congratulations and their artwork will be published on VMFRP social media platforms.
